

**Ybor City Development Corporation Community  
Infrastructure Needs Grant Program Planning  
and Evaluation Sub-committee**

**GOAL: To incentivize new or existing right-of-way improvements in Ybor City CRA 1 and 2 that will enhance the historic district’s attributes and encourage private investment in Ybor City.**

**Community Infrastructure Needs Grant Program Application Form**

*Eligible uses of Tax Increment Funds (TIF): \*Construction of infrastructure (i.e. underground utilities and utility lines, underground water vaults, sidewalk and paver enhancements, brick street and granite curb restoration and alley improvements) and material. Other items, if deemed applicable based on meeting the programs intent, could be eligible.*

*This is a reimbursement grant program based on paid receipts with a limit up to \$50,000. Monies will be paid out after inspections and within the first month of the business’ operation. Work must not commence before funding approval and must be completed within one year with a submitted disbursement request along with contractor invoices. Applicant must pay property taxes. This grant is not for remedying existing code violations or unpermitted construction.*

*Façade improvement requests, such as architectural elements attached to the building, should submit an Ybor City Façade Improvement Matching Grant application.*
